Source: United Kingdom Tourism Survey

Please note that the United Kingdom Tourism Survey is designed as a national and regional survey and is therefore only robust at this level. All data in this table should be used with caution as sample sizes can be low.

By way of context, the volume of all overnight trips to England by UK residents fell -2% in 2007 compared with 2006. Those taken for a holiday also fell -2% whilst those for business fell -3%.
