The United Kingdom Tourism Survey (UKTS) is a national consumer survey measuring the volume and value of tourism trips taken by residents of the United Kingdom. It is jointly sponsored by VisitBritain, VisitScotland, Visit Wales and the Northern Ireland Tourist Board.

The survey covers trips away from home lasting one night or more taken by UK residents for the purpose of holidays, visits to friends and relatives, business and conferences or any other purpose. Tourism is measured in terms of volume (trips taken, nights away) and value (expenditure on trips)

The UKTS survey is conducted continuously throughout the year, using face-to-face CAPI interviewing, as part of an in-home omnibus surveys. Weekly omnibus surveys are conducted with a representative sample of 2,000 adults aged 16 and over within the UK.

**Please note that all expenditure figures are in HISTORIC PRICES**

**The UKTS is designed as a national survey and only reliable at a English regional level for top line information only.  
Please use extreme caution when interpreting results and annual changes as these could be the result of small sample sizes.**
